

## **Coaching Practice Verification Log Sheet**

### **Talent Development Coach (Level 2)**

Practical component requires a candidate completing either:

- Assessed and competent in 2 Training session and 2 games coaching

OR

- A total of 20 hours coaching practice post-course. Of these 20 hours, 6 hours must be supervised by a recognised mentor who will provide feedback to the candidate on their performance

### **Elite Coach (Level 3)**

Practical component requires a candidate to complete either:

- Assessed and competent in 3 Training session and 3 games coaching

OR

- A total of 40 hours coaching practice post-course. Of these 40 hours, 12 hours must be supervised by a recognised mentor who will provide feedback to the candidate on their performance.

If the supervisor does not deem a coach candidate to display adequate levels of competence at a particular session, then the supervisor must not credit the coach candidate with the hours from that session towards their supervised coaching practice. In such instances, the supervisor should discuss the areas of concern with the coach candidate so they understand why the session was not credited to enable the coach candidate to rectify these areas in the future.

Note: All coaching practice must be verified even if it is not supervised. Verification can be provided by a Regional, State or National coaching coordinator, an assessor or mentor, school principal for coaching of school teams or club official for coaching of club teams.

Once this log sheet is completed it should be submitted to the State Volleyball office for processing.
