

1. GENERAL

Teams representing their registered school shall contest the Volleyball Queensland Schools Cup, consisting of the Intermediate Schools Cup (May), Senior Schools Cup (August) and the Junior Schools Cup (October). The tournament shall be run in accordance with the Constitution and By-Laws of Volleyball Queensland (VQ). These By-Laws have been developed to provide an event that is professionally delivered and fair to all who participate and should be read in conjunction with the Schools Cup Nomination Information Kit and other information as issued in relation to these events.

Regrettably, penalties for non-compliance have become necessary, but are set at reasonable levels considering the impact on the event, the event staff, and other teams.

5. TOURNAMENT REGULATIONS

5.1 General Regulations

- 5.1.1 Unless stated elsewhere, the tournament will be played under the official rules of volleyball issued by the International Volleyball Federation and adopted by VQ.
- 5.1.2 Unless "exceptional circumstances" can be demonstrated to the Tournament Directors satisfaction, any team that fails for whatever reason to fulfil its playing commitments will incur the following sanctions;
- a) Removal from finals contention
 - b) Cancellation of all previous results regardless of the outcome, and
 - c) Any games yet to be played, will be played but the results will not count.

5.1.3	Points shall be allocated as follows:	WIN	10 Points
		LOSS	6 Points
		FORFEIT	0 Points

5.1.4 If at the end of the preliminary rounds two teams are tied on points, the order of ranking shall be determined by the highest set ratio.

A = Set Ratio

B = Sets Won A = $\frac{B \times 100\%}{B + C}$

C = Sets Lost B + C

5.1.5 If the result is still a tie, the order shall be determined by the highest points ratio using the same formula as 5.1.4.

5.1.6 If sets and points ratios are equal, the order shall be determined by the team that won the match played between the two teams in that pool.

5.1.7 The 12 sub rule will be used in ALL divisions including Honours division.

5.1.8 Teams are allowed to use a Libero player. Coaches may declare a new Libero at the beginning of each set. The Libero must be clearly identifiable by wearing a different uniform to the rest of the team.

5.1.9 The tournament games will be played under the GEST (Guaranteed Earliest Starting Time) system. Warm up must be completed before the GEST. This means all games will start at the scheduled time unless the preceding match on that court runs over time. In the case of a delayed start time a 10 minute warm-up will commence as soon as the final whistle of the previous match is blown.

5.1.10 Any team not ready to begin play at the scheduled starting time of a game shall be deemed to have forfeited the first set and other sets at 10 minute intervals. The only exception to this rule is if a team is still playing on another court in the venue due to matches running late.

5.1.11 All matches will commence at the time advised in the official draw or 15 minutes after the completion of the previous match on that court, whichever is later. This time includes the six minutes combined spiking and serving warm up.

5.1.12 If a team due to play has performed duty on the previous match, that team will be given 20 minutes warm up after the conclusion of the previous match instead of 15 minutes. This includes the six minutes combined spiking and serving warm up.

5.1.13 If a team due to play has played in the previous match, that team will be given up to 30 minutes break/warm up after the conclusion of the previous match. This includes the six minutes combined spiking and serving warm up.

- 5.1.14 If matches are delayed for any reason, the Tournament Director or Venue Manager has the right to relocate or reschedule such matches. Unless otherwise advised, teams should always be prepared to play at the schedule time on the scheduled court.
- 5.1.15 The Tournament Director has the right to reschedule forfeited matches upon written application from a team if they can demonstrate they have been disadvantaged due to circumstances beyond their control. Matches will only be rescheduled should time and court space allow. Rescheduled matches shall not take place within two hours of another commitment of the team that was in attendance.
- 5.1.16 Participating teams must act as duty teams when required. If a first referee has not been supplied, teams are required to supply one.

- 6.3 Whilst acting as a referee, officials will be under the control of the Chief Referee and their assistants.

7. CODE OF CONDUCT

The code of conduct applies individually or collectively to all players, coaches, managers, and officials of teams who participate in tournaments sanctioned and controlled by VQ.

7.1. All participants in these events have the duty to maintain and encourage the highest level of good sportsmanship. They are expected to set an example in conduct and are obliged to avoid all unsportsmanlike acts and practices that are detrimental to the sport.

Such acts during the course of a tournament include, but are not limited to the following:

- Swearing at a match official, opponent, or spectator
- Using obscene language or gestures
- Showing persistent outward displays of temper
- Throwing, hitting, or kicking a ball deliberately in the direction of an official, opponent, or spectator
- Persistently challenging the decision of referees or tournament officials
- Inciting others to challenge the decision of referees or tournament officials
- Refusing to comply with reasonable requests from referees or tournament officials
- Behaving in a manner deemed detrimental to the sport

7.2. Any players, coaches, managers, officials, or teams that are found not to comply with these By-Laws may lead the team or its individual participant being sanctioned. This may include an individual or team being withdrawn from the competition, or not allowed to participate in future VQSC.

8. DISPUTES AND PROTESTS

8.1 Under the rules of the sport a protest may be lodged if a team believes that match officials have made an error under the rules of the tournament, which will affect the outcome of the match.

8.2 Protests may not be lodged against technical or judgmental decisions made by match officials. Interpretations may be discussed with the Venue Manager and/or Chief Referee.

8.3 Under the provisions of the rules, if a protest is upheld the match is replayed from the stage immediately before the error occurred. In the format of the Volleyball Queensland Schools Cup there is no scope for replaying matches at later times. Therefore, a system of instant dispute resolution is used.

8.4 At Volleyball Queensland Schools Cup, only a coach may lodge a protest.

- 8.5 If a coach wishes to lodge a protest he/she should immediately inform the second referee who must immediately inform the first referee. The first referee will stop the game and immediately call for the Venue Manager.
- 8.6 Team captains assume responsibility for maintaining their players as “warmed up, ready to resume playing” on the playing court on the side of the net their team occupied at the time of suspension of play. Players will be required to start the game immediately at the resolution of the protest, at whatever stage the Venue Manager decides. The Court Supervisor will have blank protest records. The protesting coach will be required to write the protest in the Notice of Protest section. The notice of protest should be limited to a statement of what rule(s) have been transgressed and who they believe has erred – NO EVIDENCE EXCLUDING THE SCORESHEET IS REQUIRED. The Venue & Referee Manager will record the Stage of Game Section.
- 8.7 The Venue Manager will hear evidence from the team coach of each team and the match officials ONLY. They will do so at a place remote from the court - the Tournament Directors office or venue control point is suitable. No other persons are required to be present unless requested by the Venue Manager. Notes on the evidence should be recorded on the back of the protest record in the space provided. No more than ten minutes should be allocated to this task.
- 8.8 The Venue Manager will then attempt to resolve the protest according to the scheme provided.
- 8.9 The Venue Manager will announce their decision to both coaches and the match referee. The game will immediately resume at the point dictated by the Venue Manager, no further warm up will be allowed.
- 8.10 The Venue Manager will leave the protest record on the scorer’s table, for attachment to the scoresheet.
- 8.11 The resolution from the Venue Manager will be immediate and the match will resume as directed. Should the Venue Manager decide that the protest was frivolous they shall instruct the referee to sanction the protesting team with a time delay penalty (red card). The match will not be replayed.

9. AWARDS AND PLACINGS

- 9.1 The men's and women's teams who win the Honours Division in their age group will be declared the Volleyball Queensland School Champions for that age group and will be recommended to the AVF to play Honours Division at Australian Schools Cup.
- 9.2 Members of Queensland teams, which gain first, second, and third placing in the tournament including managers, coaches, and assistant coaches, shall receive the official gold, silver, and bronze medallions supplied by VQ.
