

WHAT IS THE QAS VOLLEYBALL PROGRAM?

Volleyball Australia: Queensland Academy of Sport Volleyball Program - This is a partnership between Volleyball Australia (VA), Queensland Academy of Sport (QAS) and Volleyball Queensland (VQ).

The QAS Volleyball Program has been established to provide a high-performance practice environment for athletes that have been identified as having the potential to play Volleyball (Beach and/or Indoor) at state, national and international level with a further goal to develop athletes to compete at the Olympic Games.

WHAT IS THE EMERGING TALENT SQUAD?

The Emerging Talent squad is an initiative of the QAS Volleyball program that will develop grassroots volleyball players and will **teach fundamental movement skills as well as volleyball-specific techniques and strategies.**

WHAT EXPERIENCE DO I NEED?

Athletes do not need to have any volleyball experience, but a **desire to learn, grow and improve** as a volleyball athlete is essential.

The QAS Volleyball Program is complementary to school, club and state squad activities. We highly encourage all QAS athletes to participate in these other programs simultaneously with their QAS training.

HOW MUCH WILL IT COST?

If selected in the 2019/20 Emerging Talent Squad, the fee will be **\$550** inc GST.

The squad fee will cover:

- + Professional coaching and expertise
- + Weekly court training and equipment
- + Emerging Talent Squad uniform
- + Access to the **New** QAS Online Volleyball Portal

HOW OFTEN WILL WE PRACTICE?

Emerging Talent Squads will be scheduled for practice **once per week***.

- Sunshine Coast – Thursday Evening
- North Brisbane – Friday Evening OR Sunday Morning (2 Centres)
- South Brisbane – Saturday Morning OR Wednesday Afternoon (2 Centres)

**There will be times throughout the year where squads will not have practice due to availability of venues, coaches or clashes with competitions.*

ARE ALL THE CENTRES THE SAME?

Yes, all emerging talent squad centres will provide the same opportunity to athletes. You can choose which centre you would like to be considered for.

We suggest athletes select the centre that is geographically closest.
