

New for 2019

Volleyball Queensland Schools Cup Champion School Trophy

Background

In previous years VQ have offered a Champion School and Champion Honours School trophy for each of the 3 Volleyball Schools Cups (Junior SC, Intermediate SC, Senior SC). All teams from a school earned points towards the trophies.

Change for 2019

In discussion with the VQ Schools Sub Committee it was unanimously agreed that the purpose for these trophies had been diluted over time as the Schools Cup series has expanded.

By reverting to a single trophy the prestige of winning the Champion School Trophy will be restored.

In addition, by structuring the points awarding process, as outlined below, potentially more schools will be contenders to win the trophy, including single-gender schools.

Points Awarding Process

There are 12 potential chances for schools to earn Champions Schools points

Boys = yr7, yr 8, yr9, yr 10, yr11/u17hons, yr12/u20hons

Girls = yr7, yr 8, yr9, yr 10, yr11/u17hons, yr12/u20hons

The top 6 points earning teams from a school, with a maximum of one team per gender-age group, will contribute to that school's Champion School points.

For example:

If a school has teams in boys year 10 Honours, Division 1 & Division 2

Whichever one of the 3 teams that earns the highest points will contribute to their school's Champion School points.

Points will be awarded according to the below table (based on the AVSC points schedule)
