

ABOUT THE EMERGING TALENT PROGRAM

Volleyball Australia Emerging Talent (Queensland) Volleyball Program - This is a partnership between Volleyball Australia (VA), Queensland Academy of Sport (QAS) and Volleyball Queensland (VQ).

The VA Emerging Talent has been established to provide a high-performance practice environment for athletes that have been identified as having the potential to play Volleyball (Beach and/or Indoor) at state, national and international level with a further goal to develop athletes to compete at the Olympic Games.

WHAT IS THE EMERGING TALENT SQUAD?

The Emerging Talent squad is an integrated program that will develop grassroots volleyball players and will **teach fundamental movement skills as well as volleyball-specific techniques and strategies**.

WHAT EXPERIENCE DO I NEED?

Athletes do not need to have any volleyball experience, but a **desire to learn, grow and improve** as a volleyball athlete is essential.

The VA Emerging Talent Program is complementary to school, club and state squad activities. We highly encourage all Emerging Talent athletes to participate in these other programs simultaneously with their Emerging Talent training.
