

## 2021 Beach Schools Cup COVID-Safe Measures

These measures have been developed to ensure VQ Beach Schools Cup is carried out safely and in line with Queensland Government and Education Queensland requirements, and the VQ Return to Play COVID19-Safe Guide.

Please ensure your teams and supporters are informed accordingly.

<b>Measure</b>	<b>Implications for Teams</b>
Illness	Unwell team members must stay away
Get In-Get it Done-Get Out	Teams may only enter their playing court 5min before their allotted match start time. At the completion of the match, teams must leave immediately
Max people per court	Only the players, substitutes, coaches and officials actively involved in the match may be within the playing space All others must remain outside the free zone and socially distance
Sanitisation	Balls, scoreboards, net bands, post pads, ref stand pads to be sanitised at the end of every match by the duty team. Used wipes are to be placed in the rubbish bags provided. Teams to bring own hand sanitiser and use before and during each match.
Limit contact	Teams to avoid high-fives, hand shakes, team huddles, etc
Individual tracing	Schools are to ensure team lists (players & coaches) are submitted to VQ in advance, and updated if circumstances change.
Off court	Participants are reminded that social distancing must be observed off court. Schools are encouraged to establish their own 'bubble' and limit mixing with other schools
Spectators	Spectators are welcome. They must remain outside the playing space and free zone and socially distance at all times.
COVID-Safe App	We strongly recommend all participants download the COVID-Safe App
