

2021 Intermediate Schools Cup

Spectator Guide

Spectators are welcome to attend matches at the 2021 Intermediate Schools Cup in Toowoomba provided they adhere to the following conditions:

- 1) Only 1 spectator per participant*^**
- 2) Must sign in each time they visit a venue using the 'Check in Qld' app**
- 3) Must only enter the venue earliest 10min prior to your match start, and exit immediately the match is finished.**
- 4) Follow the directions of our venue staff**

Reminder –

Spectators are there to support their team, not criticise they opponent or officials.

Many thanks for your understanding and cooperation.

* The current Qld Government restrictions for indoor venues are one person per 2 square metres. So whilst some of the venues we are using can accommodate more spectators and still meet this requirement other venues are limited in space. In fairness to all teams we will apply the spectator limits the same. We encourage team supporters to work together (eg. You watch one match but miss the next so others can watch). This way we can ensure we are compliant with government restrictions and run a COVID-Safe event for our children. Many thanks for your understanding and cooperation.

^ A 'babe in arms' (ie baby) or a designated carer (eg carer for a wheelchair user) are exempt from this count.
