

# 2021/22 QBVT

## Key Changes from last season

- More tournaments – now 15 (previously 11)
- More North Queensland and Central Queensland Tournaments - Townsville, Mackay, and Great Keppel Island return to the Tour.
- New Promotors – in addition to your favourite returning promotors we welcome Easts Volleyball Club, Northern Monsoons Volleyball Club (assisting V'Ball in Paradise in Townsville), and Citibeach Mackay return after a few years off.
- 'Majors' and 'Regionals' have been dropped – all tournaments (except Qld Open) are worth the same points.  
This aligns Qld with other States. Now our players have more chances to increase their National Ranking in their home tournaments.
- Junior divisions have been changed to u17 & u15 (previously u19 & u15).
- A Masters division has been added to selected tournaments.  
Each Player in this division must be 40+.
- The QBVT Championships will no longer have a limit on the number of teams that can enter each division: If each player on a team has completed the minimum number of tournaments then they can play the QBVT Championships.  
Divisions offered will be:
  - Championship
  - Junior (u17 & u15)
  - Masters (40+)
