

Queensland Junior Program – Travel Information (Adelaide 2026)

To assist in keeping overall program costs as low as possible for AJVC, flights will not be included in the Queensland Junior Program Levy.

All athletes are responsible for:

- Booking and paying for their own return flights to and from Adelaide
- Ensuring arrival within the required timeframe
- Managing any airline-related changes or baggage requirements

This change allows athletes to choose their preferred airline carrier, find the cheapest possible flights and use any reward program points or any university-based discounts on offer.
